HEXAGON

Conjure up wonderful accents with
the multi-talent for indoors and outdoors.

THE MULTI-TALENT

HEXAGON – a system from 3ks like no other worldwide. Extremely versatile and amazingly simple to build. No more tiresome preparing the ground in your garden!

No matter whether your garden is made from paving stones, concrete, gravel, or sufficiently compressed soil, **HEXAGON can be mounted on all even ground surfaces problem-free.**

The six-cornered units are extremely versatile and offer unlimited opportunities when it comes to filling and combining them, for example as:

- a plant trough
- a lighting element
- a border
- etc. ...
- decoration

The system is made exclusively from **high-quality materials**. V2A stainless steel and zinc-aluminium coated steel make the Hexagon durable and maintenance-free.

YOUR ADVANTAGES AT A GLANCE:

- a diverse range of applications, both indoors and outdoors
- quick, tool-free construction
- no maintenance required
- lightweight construction
- corrosion-resistant

TIP!

The *arcadia*® HEXAGON is a perfect addition to existing gabions – a real highlight for all those who love the stone look.

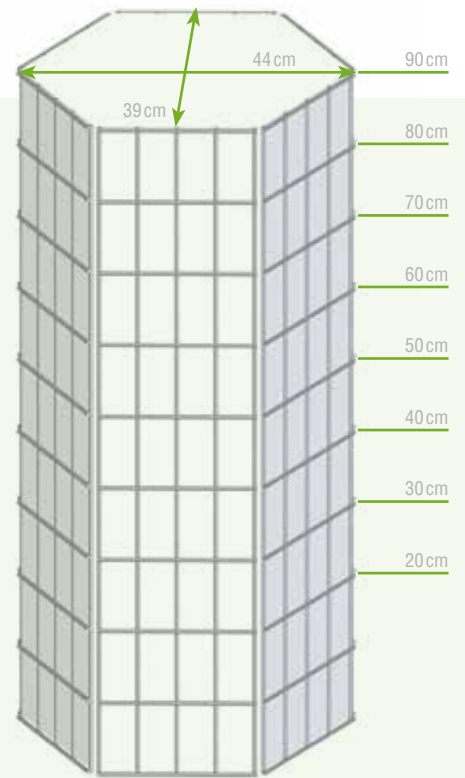

HEXAGON

6 CORNERS. 1,000 POSSIBILITIES.

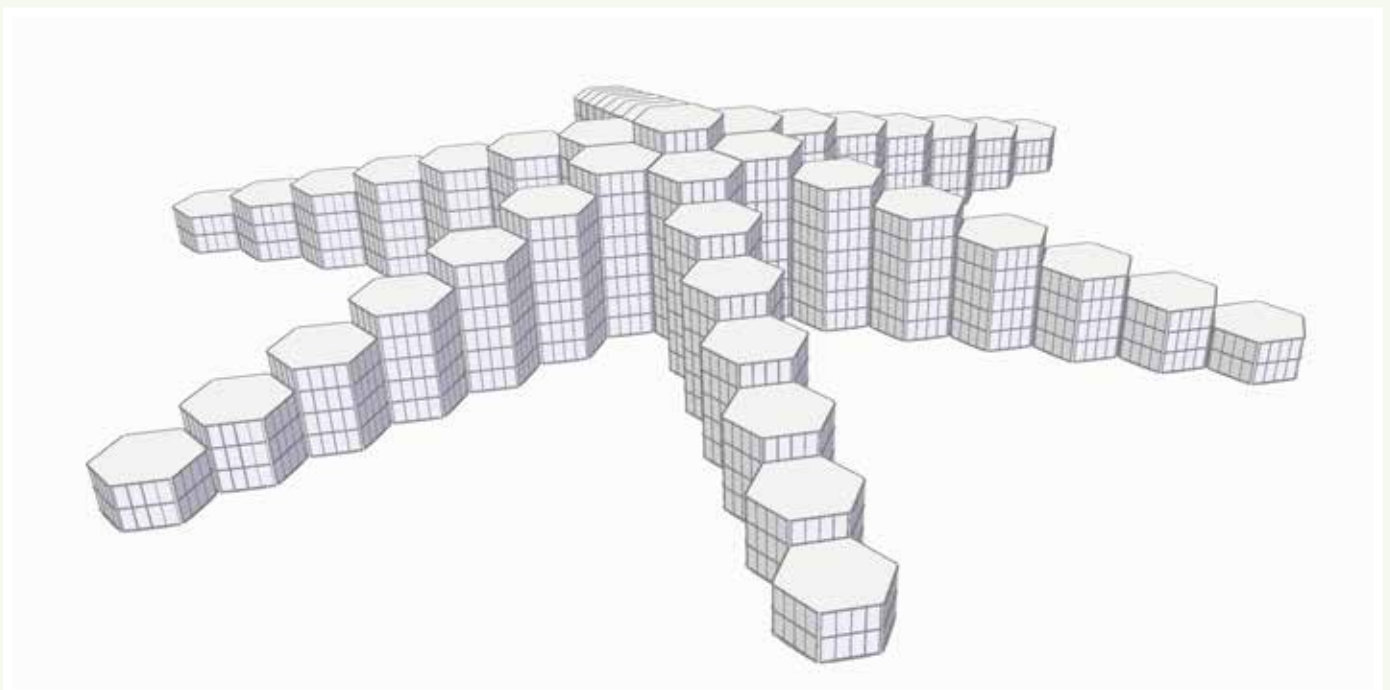

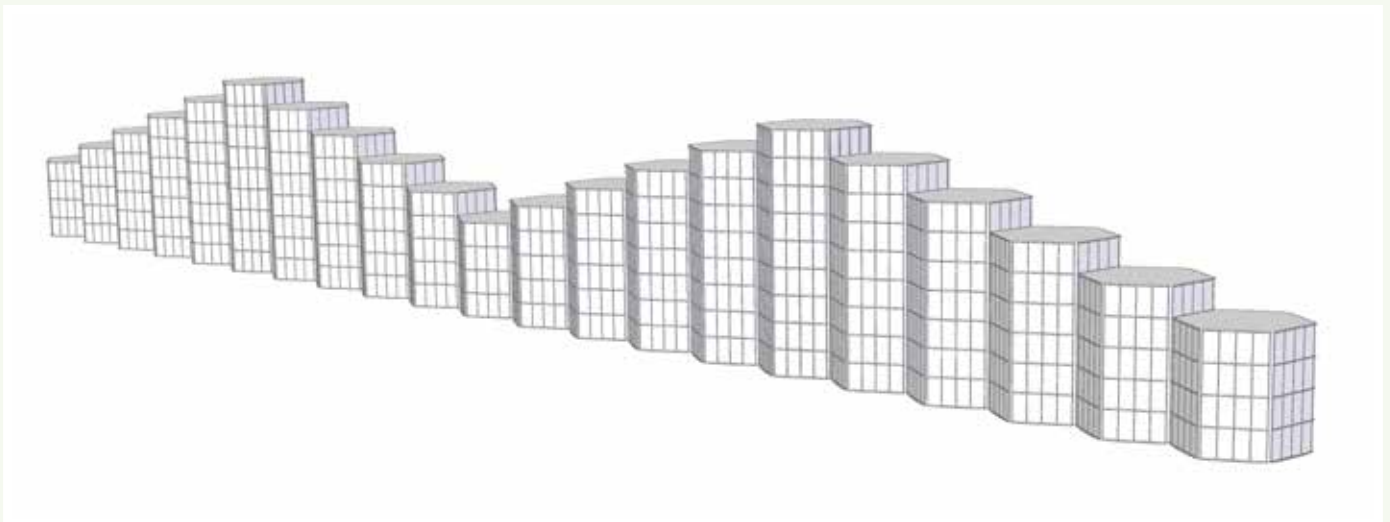

The system can be continued ad infinitum! Create your own unique combinations using multiple hexagon baskets.

There are no limits to what you can create! Secured quickly and easily with the connection clip, design your own personal structure or individual form. No matter where you place it –

HEXAGON from *arcadia*® always looks great!

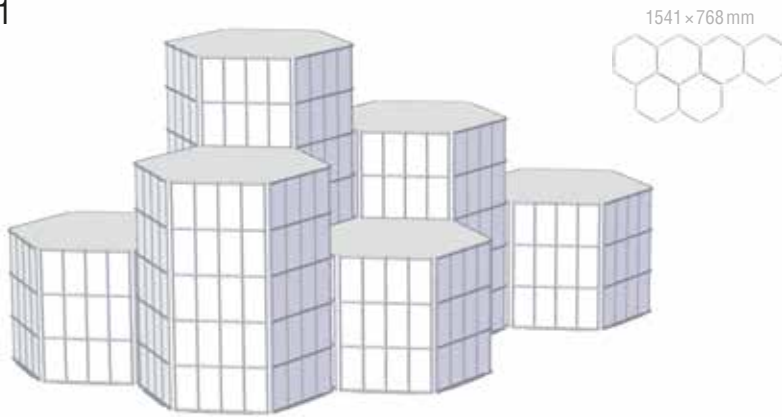

FOR CREATIVE TYPES AND INDIVIDUALISTS
